

EW Nutrition welcomes two additions in key global roles

VISBEK, JANUARY 2025 - EW Nutrition confirms two names were added to key positions in its global team. From January 2025, Marie Gallissot and Nadia Yacoubi have joined the German-headquartered animal nutrition company.

Marie Gallissot joins as Category Manager Feed Quality Solutions, with a rich background and over 15 years' experience in toxin solutions and feed management. She is going to oversee a portfolio comprising toxin binders, antioxidants, acidifiers and more, working in close collaboration with regional affiliates as well as connected platforms in EW Nutrition.

Nadia Yacoubi joins as Phytogenic Products Manager inside EW Nutrition's Gut Health platform. With a doctoral degree in Veterinary Sciences, held jointly from Ghent and Nantes universities, she brings 10+ years of technical expertise in the field of gut health, as well as animal husbandry and food safety.

"We've had a quick and comprehensive onboarding in Germany," says Nadia Yacoubi, "and we're both already joining meetings in EW Nutrition's regional and global teams, which is a great way to hit the ground running." With this hands-on approach, adds Marie Gallissot, "it's easy to get acquainted with the people, the passion, and the energy driving EW Nutrition forward."

Jan Vanbrabant, EW Nutrition's CEO, welcomed them during the onboarding week, saying "We want to make sure we show them the full picture: who we are, where we are and where we want to be. And we are happy that they are such a great fit to our corporate culture, bringing expertise, integrity, team spirit, and an element of fun and passion."

EW Nutrition is a global player in the animal health and nutrition industry, delivering solutions for gut health, feed quality, digestibility, and more. It is headquartered in Northern Germany and focuses on promoting sustainable growth through reduced FCR, natural support against challenges, reduced need for antibiotics, and planet-friendly protein production.
