

Operations Manager Animal Care (gn)

How you contribute to our mission

- You are responsible for managing and optimizing all operational business processes at our productions sites Bremen and Visbek (+35 Heads)
- You coordinate efficient workflows in production, logistics, and supply chain
- You ensure compliance with quality, cost, and time targets as well as legal and regulatory requirements at all times
- You act as a coordinator in collaboration with other departments (e.g., Sales, Procurement, HR, IT) and business partners
- You take on both the professional and disciplinary leadership of the Operations team and actively promote the development of your employees
- You plan and manage the budget within the operational area
- Based on data analysis and key performance indicators, you derive and implement measures to increase efficiency — for example, through process improvement projects such as Lean Management or digitalization initiatives

What you should bring to this position

- You hold a degree in Business Administration, Industrial Engineering, Logistics, or a comparable field.
- You have at least 5–7 years of professional experience in a similar position, ideally within the feed or food production industry
- Your analytical thinking and strong organizational skills set you apart
- You enjoy working with Microsoft Excel and ERP systems, preferably Microsoft Dynamics Business Central
- You bring a high level of initiative, decisiveness, and a hands-on mentality
- Your profile is rounded off by excellent German and English language skills

What we offer you

- An attractive remuneration package
- Company pension scheme, company fitness and free drinks and fruit
- Reconciling family and career through flexible working hours with home office options
- A position in which you can grow professionally and personally and have good development opportunities
- Induction training from a motivated and energetic team
- A company with excellent growth potential in a crisis-proof industry

Production worker (gn) day shift at the bremen & visbek location

Die Agrochmica GmbH ist ein Tochterunternehmen der EW Nutrition GmbH. Die EW Nutrition GmbH ist ein dynamisches, weltweit agierendes Unternehmen mit einer stark wissenschaftlich orientierten Produktpalette auf dem Gebiet der funktionellen und innovativen Futtermittelzusatzstoffe und Spezialfuttermittel. In allen Bereichen der Wertschöpfungskette aktiv, bietet das Unternehmen innovative Lösungen zur Reduktion des Antibiotikaeinsatzes, zur Senkung des Rohstoffeinsatzes, zur Förderung von Tiergesundheit und zur Verringerung des CO₂-Ausstoßes bei gleichzeitiger Steigerung der Profitabilität der Produzenten. Zur Verstärkung unseres Teams am Produktionsstandort in **Bremen & Visbek** suchen wir zum nächstmöglichen Zeitpunkt einen **Produktionsmitarbeiter (gn) in Tagschicht**

Das macht Dir Spaß

- Sicherstellung eines reibungslosen Produktionsablaufs innerhalb eines kleinen Teams
- Unterstützung im Bereich der Qualitätssicherung, indem Du Rohstoffeingänge und Warenausgänge kontrollierst
- Einrichtung und Umrüstung der Produktionsanlagen für neue Produktionsabschnitte oder für das nächste Produkt

- Übernahme von Wartung- und Instandhaltungen der Maschinen und Anlagen
- Einhaltung von Hygienevorschriften gemäß HACCP etc.

Das bringst Du mit

- Du bist ein echter Teamplayer
- Gutes technisches Verständnis und lösungsorientiertes Denken
- Körperliche Ausdauer und Konzentrationsfähigkeit
- Du verfügst idealerweise über eine abgeschlossene Berufsausbildung in einem handwerklichen oder technischen Beruf (Bäcker o.ä.), was aber keine grundlegende Bedingung ist
- Du besitzt gute Deutschkenntnisse (Lesen und Schreiben zum Verstehen der Herstellungsprotokolle und Maschinen)

Damit kannst Du rechnen

- Ein attraktives Vergütungspaket
- Betriebliche Altersvorsorge, Firmenfitness sowie kostenlose Getränke und Obst
- Eine interessante, handwerklich und technisch fordernde Tätigkeit in einem engagierten Team
- Eine Einarbeitung durch ein motiviertes und energiegeladenes Team
- Ein Unternehmen mit bestem Wachstumspotenzial in einer krisensicheren Branche

Du hast Interesse an der Stelle und möchtest noch die ein oder andere Frage stellen? Dann melde Dich gerne bei der Personalabteilung.

Manuela Wieting
HR Specialist

UNSOLICITED APPLICATIONS EW NUTRITION

EW Nutrition GmbH is a dynamic, globally active company with a highly scientifically oriented product range in the field of functional and innovative feed additives and specialty feeds. Active in all areas of the value chain, the company offers innovative solutions for reducing the use of antibiotics, lowering the use of raw materials, promoting animal health and reducing CO2 emissions, while at the same time increasing the profitability of producers.

How you contribute to our success

- You want to contribute to our highly motivated teams
- Your profession is your passion
- Continuous improvement, respect and diversity are a matter of course for you
- You are fluent in German and English, both written and spoken
- You are curious and want to develop yourself further

What we offer

- An attractive remuneration package
- Company pension scheme and company fitness
- Professional and personal development opportunities
- Flat hierarchies and short decision-making processes
- A highly motivated, energetic and curious team
- A company with a distinctly international culture
- A management team that is approachable and interested in your ideas
- A company with excellent growth potential in a crisis-proof industry

Would you like to ask a question or two? Then get in touch with the HR department.
